BIRTHDAY CAKE KITS

1 15.25 oz. box cake mix
1 16 oz. can frosting
1 pack birthday candles
1 12 oz. can Sprite or store-brand lemon-lime soda
9x13" aluminum pan
1 zip-top storage bag, 1-gallon or 2-gallon size

INSERT CARDS

HAPPY BIRTHDAY from your friends at Edwards Street Fellowship Center!

"I praise you because I am fearfully and wonderfully made;
your works are wonderful, I know that full well."
Psalm 139:14

To make a cake without eggs, oil, or water, mix 1 can of Sprite with the cake mix. That's it! Then bake according to the directions on the back of box.

KIT ASSEMBLY

- Place inside the zip-top bag: cake mix, frosting, candles, soda, and insert card. It's fine to add other small party items, like colorful napkins, a birthday banner, and/or a birthday card! (Note: If you include a birthday card, don't put any personally identifying info on the card, such as your last name, address, email, or phone number.)
- The kit-in-a-bag is handed to the birthday person with an aluminum pan for baking their birthday cake!

NOTE: It's fine to change the insert card wording from "… your friends at Edwards Street…" to the name of your organization!

Thank you for providing a very special birthday gift for our food pantry clients!
